Other Observations:

- 1. Operational at the time of inspection.
- 2. Has an approved ECC with ECC reference no: ECC-R08-1703-0014 issued on April 7, 2017.
- 3. The facility has no Wastewater Discharge Permit for domestic wastewater generated and no Hazardous Waste Registration Certificate as Hazardous Waste Generator for used engine oil, busted bulbs etc.
- Designated PCO is not yet EMB accredited.
- 5. Operating with no existing hazardous waste storage area for generated hazardous wastes as required under sec 3.5 of DAO 2013-22 on the requirements for proper management hazardous waste.
- No submission of Compliance Monitoring Report (CMR) as required under General Conditions of the approved Environmental Compliance Certificate (ECC).
- 7. ECC billboard was posted on-site as observed during inspection.

Remarks/Recommendations:

- 1. To secure a Wastewater Discharge Permit and Hazardous Waste Registration Certificate (DENR ID) as hazardous waste generator through the EMB Online Permitting System.
- 2. Designated Pollution Control Officer must attend the 40-hr Basic PCO Training and apply for PCO accreditation.
- 3. The firm must provide hazardous waste storage area and implement proper labeling with suitable placards for generated hazardous wastes in compliance to sec 3.5 of DAO 2013-22 on the requirements for proper management hazardous waste.
- 4. To submit Compliance Monitoring Report semi-annually.
- 5. Strict and continuous compliance to PD 1586, RA 6969 & other environmental laws.

ROMEO D. MALASAGA

Managing Head Camp Kawayan Resort Project Brgy. Balorinay Burauen, Leyte

Dear Sir:

Environmental Greetings!

This has reference to the inspection conducted by our technical staff in your establishment last February 4, 2021. The following are the findings and recommendations formulated, to wit:

Findings:

- The facility has no Wastewater Discharge Permit for domestic wastewater generated and no Hazardous Waste Registration Certificate as Hazardous Waste Generator for used engine oil, busted bulbs etc.
- 2) Designated Pollution Control Officer is not yet EMB accredited.
- 3) Operating with no existing hazardous waste storage area for generated hazardous wastes as required under sec 3.5 of DAO 2013-22 on the requirements for proper management hazardous waste.
- 4) No submission of Compliance Monitoring Report (CMR) as required under General Conditions of the approved Environmental Compliance Certificate (ECC).

Recommendations:

- 1) To secure a Wastewater Discharge Permit and Hazardous Waste Registration Certificate (DENR ID) as Hazardous Waste Generator through the EMB Online Permitting System.
- 2) Designated Pollution Control Officer must attend the 40-hr Basic PCO Training and apply for PCO accreditation.
- 3) The firm must provide hazardous waste storage area and implement proper labeling with suitable placards for generated hazardous wastes in compliance to sec 3.5 of DAO 2013-22 on the requirements for proper management hazardous waste.
- 4) To submit Compliance Monitoring Report semi-annually.

As such, you are hereby enjoined to comply with the above-cited recommendations in compliance with the requirements of the Environmental Laws and its Implementing Rules and Regulations of PD 1586 (Philippine Environmental Impact Statement System), Republic Act No. 6969 (Toxic Substance and Hazardous and Nuclear Wastes Control Act of 1990) and Republic Act No. 9275 (Philippine Clean Water Act of 2004) within thirty (30) days from the receipt of this letter.

Failure to do so shall be deemed as violations of applicable rules and regulations. This Office will be compelled to take appropriate legal action against your establishment.

Please be guided accordingly.

Very truly yours

LETECIA R. MACEDA

Regional Director
